

Meadow Lane Pool - Annual Member's Meeting

Monday, April 1st, 2020 @ 7:00 PM • Meadow Lane Elementary School Auditorium

The Meadow Lane Park Association board wants to strongly encourage all active Bond Holders to attend our 2020 annual meeting. Over the past many years, membership has been in decline causing the board to consider adjusting length of season and hours of operation. In addition, for much of 2019, the association has been without a Treasurer and Membership Coordinator. We will also be in need of a new president for the 2020 season. It is essential that these positions be filled for the pool to operate properly. As a non-profit social club, we rely heavily on volunteers stepping forward to help maintain and manage the pool and to help recruit new members. Without individuals willing to take on these responsibilities in turn, Meadow Lane Pool will simply not be able to continue operating and serving the Meadow Lane Neighborhood the way it has for the last half century.

Each member has a say in how the pool is run and how we prioritize resources. Our Annual Member's Meeting is the perfect time to express concerns and share ideas. It is also the best time to discover which volunteer opportunities exist and how our members can help to keep Meadow Lane Pool the very best neighborhood, recreation resource in northeast Lincoln. Please take the time to attend and consider serving as a board member.
